

Odor Control Liquids

Deomer

Deomer is designed to treat odorant contamination of odorizer parts, tools, clothing, metal, concrete, soil and other surfaces.

Plant-derived active ingredients react with mercaptans to destroy the source of the odor without any harmful reaction by products.

Deomer is safe, non-toxic, water-soluble and has a pleasant odor.

We also offer Winter Deomer, with added propylene glycol to prevent freezing. Deomer is available in a variety of sizes from 16-oz spray bottles to 55-gallon drums.

Masking Agent - Orange

Our masking agent is designed to mask the smell of mercaptan.

It has a fresh orange scent.

It is available in a variety of sizes from 16-oz spray bottles to 55-gallon drums.
